You have again prepared

been made not only in our
accomplishments as a school

record our achievements.

You are to be con-
gratulated for accomplishing
that which seemed
to you at times to
be an impossible

LAST WILL AND TESTAMENT OF THE CLASS OF 1954

We, the Senior Class of Big Piney High School, being sick in soul but of perfect sense and understanding, in memory of our years in B.P.H.S. do leave this as our last will and testament:

To the Faculty, we leave our talents and good behavior to give to those of the lower classmen needing it most.

To the Juniors, we leave the honor of being the "big whigs" of the school.

To the Sophomores, we will, hoping they don't hit the teachers, our "never miss" spit wad shooters.

To the Freshmen, we leave the opportunity to occupy the seats we leave vacant, providing they are careful not to scratch their names beside ours.

I, Charles Merrell, will my false teeth to anyone who plays football.

I, Donna Gregory, will my long eyelashes to anyone who thinks they need them and my job in the office to anyone who likes bookkeeping.

I, Jim Smith, will my height to Jim Harmison and Freddie DeGraw and hope they split it evenly.

I, Grace Barton, will my lateness to classes, to anyone who would like to have their grades cut. I also will the time it takes me to get ready, to Sally Twitchell and hope she uses it wisely.

I, Joan McWilliams, will my Bob Hope nose to anyone who wants it and my small hands to anyone who thinks they can get them.

I, Donald Hacklin, will my car to Frank Fear so he can get some use out of his abilities with the girls.

I would like to fill this page with a poem by Wilsey Outlook,

If you think your'e beaten you are,
 If you think you dare not, you don't;
 If you'd like to win, but you think you can't,
 It's almost a "cinch" you won't.
 If you think you'll lose you've lost,
 For out in the world you'll find
 Success begins with a fellow's will-
 It's all in the state of mind.

For many a race is lost
 Ere even a step is run
 And many a coward falls
 Ere even his work's begun
 Think big, and your deeds will grow,
 Think that you can and you will--
 It's all in the state of mind.

If you think you're outclassed, you are
 You've got to think high to rise,
 You've got to be sure of yourself before
 You can ever win the prize.
 Life's battles don't always go
 To the stronger or faster man,
 But soon or late the man who wins,
 Is the fellow who thinks he can.

F. H. A. BANQUET

Future Homemakers of America

Big Piney F. H. A. is working hard to receive an honor chapter award as they did last year. They also plan to attend the state meeting in Laramie in April. The Outstanding achievements of this year have been Bonnie Fox, a member of our chapter, being elected district chairman, a candidate running for state historian, being an honor chapter, starting an annual Mother-Daughter banquet, and just having fun. Honors awarded by our chapter this year have been Ruth Budd being elected chapter mother and Jerome Decker elected chapter brother. The F. H. A. chapter has been under the efficient supervision of Grace Barton, our president, and Miss Lupher, our advisor.

SUBLETTE F.F.A.

Our first activity was a camping trip to North Piney Lake. The boys that went enjoyed the trip very much and are looking forward to the one next summer.

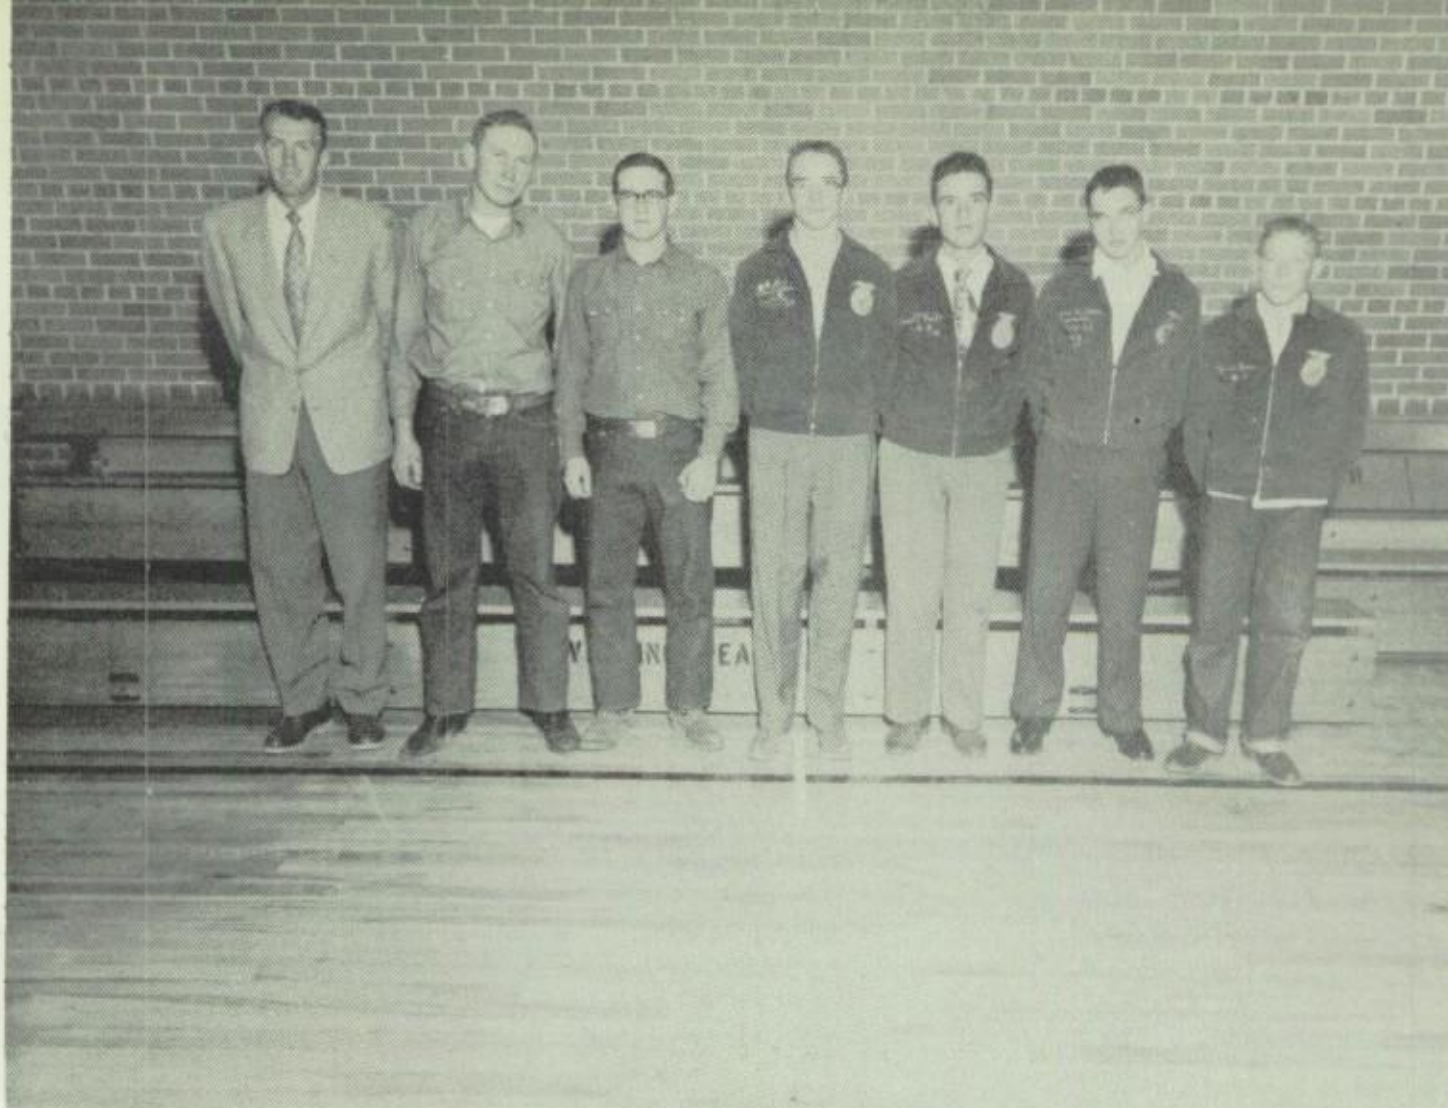

After school started in September, our judging team traveled to Laramie to the State F.F.A. judging convention.

In October, the Sublette F.F.A. and 4-H Bull Show and sale was held in Big Piney. We didn't have many bulls in the show, but the ones we did have placed well toward the top.

In November, five of the boys and Mr. Anderson went to the Ogden Livestock Show to show the carload of feeder steers they had been training and fitting for the Lions Club. They did a fine job and won Grand Champion on them.

We have had skating parties and basketball games for our recreation and have enjoyed them very much.

Jerome Decker and James Smith are going to apply for State Farmer, we all hope they will make it. Our State F.F.A. convention will be held in March in Sheridan. The officers, State Farmer Applicants and Mr. Anderson will attend and hope we make Master Chapter like we did last year.

There has been a great deal of improvement in the band this year due to the excellent work of Mr. Gallimore. We have been having concert band practice three days a week and drill work the other two.

Our band was represented in the Inter-School Concert. November 18th the band gave a concert of marches and other musical numbers. Another concert will be given in the spring.

Festival has been nearing and we've been practicing the "Medallion Overture" and a few fancy march steps. We marched at the Cutter Races in Pinedale, February 7. We also marched at the half of the football games and played at the basketball games.

B.P.H.S. Band

Chorus

Since the first day of Chorus we've been practicing so we can make a good rating at the festival this spring. Several of the girls represented the Chorus at the Inter-school Concert in Afton, November 13 and 14.

We had our yearly Christmas program representing a "Singing Christmas Tree."

We are looking forward to our yearly spring choral program to sing all of the song we've sung during the year under the direction of Mr. Gallemore.
